

STATE SSAA & TTBB CHORAL FESTIVAL

[1]27th Annual State SSAA & TTBB Choral Festival - Information & Registration

On **Saturday, October 29, 2016**, hundreds of high school and college/university singers will converge on the beautiful campus of Saint John's University to participate in the 27th annual Combined SSAA & TTBB Choral Festival. These student singers will sit side-by-side in rehearsals to prepare for the public concert scheduled for 4:30 pm in the stunning acoustic of the Abbey Church.

We invite high school directors to "self-select" a balanced group of male and female singers to participate in this exciting festival. A minimum of 4 boys and 4 girls should be selected, and this year we are encouraging high school directors to expand their selection to include MORE students if so desired. We have room in the festival for additional students.

Payment is online only by Credit Card or PayPal. Payers will receive a receipt upon conclusion of the registration process to submit for reimbursement if needed.
